

Pet'n Kiss

BY PINKLAND

RELAXATION SPRAY FOR
DOGS & CATS

about us

Pet n' Kiss is a haven for pet lovers, offering aroma products crafted with the wisdom of NAHA-certified & IFPA associate aromatherapists.

This soothing relaxation spray invites tranquility, alleviating nervous tension, mild allergies, and dermatitis, while also providing gentle relief for insect bites.

- Made with natural ingredients, this spray is safe for use around cats and puppies.
- We use only the highest quality ingredients and professional formula to create the best possible products

dog relaxation spray

CALMING AND COMFORTING

Organic Lavender Hydrosol Floral Water gently calms dogs, reducing anxiety, easing skin irritation, naturally deodorizing fur, soothing minor wounds, and providing mild antiseptic benefits for a relaxed, refreshed companion.

HELPING REDUCE DISCOMFORT

Provide mild relief from minor discomfort or skin irritation due to their natural calming and anti-inflammatory properties. Also help ease minor tension or sensitivity.

SKIN ALLERGIES, BUG BITES

Naturally soothing and gently calming, offering mild antibacterial and anti-inflammatory properties, ideal for easing minor skin sensitivities and promoting emotional relaxation.

DOG ODOR

Its gentle floral aroma is also a very effective way to stop pet odor in its tracks. Lavender has a great scent that you will love too.

Cat relaxation spray

CALMING AND COMFORTING

Gently soothe your feline friend with our naturally calming spray. Made from premium natural ingredients, it provides relaxation while supporting your cat's well-being with potent anti-bacterial and anti-fungal properties. Ideal for daily care, travel anxiety, or grooming stress—keeping your cat comfortable, happy, and healthy.

Give your cat the gentle care they deserve.

SKIN ALLERGIES, BUG BITES

Naturally soothing and gently calming, offering mild antibacterial and anti-inflammatory properties, ideal for easing minor skin sensitivities and promoting emotional relaxation.

ANTI-BACTERIAL AND ANTI-FUNGAL PROPERTIES

It promotes relaxation and well-being, featuring anti-bacterial and anti-fungal properties. Ideal for daily care, travel anxiety, or grooming stress to keep your cat comfortable and healthy.

ingredient

ORGANIC LAVENDER HYDROSOL FLORAL WATER

Organic Lavender Hydrosol Floral Water gently calms dogs, reducing anxiety, easing skin irritation, naturally deodorizing fur, soothing minor wounds, and providing mild antiseptic benefits for a relaxed, refreshed companion.

GERMAN CHAMOMILE HYDROSOL FLORAL WATER

German Chamomile Hydrosol Floral Water gently calms anxious cats, soothes skin irritations, relieves inflammation, provides mild antibacterial care, supports emotional balance, and naturally promotes healthier skin and coat condition.

CLARY SAGE

Clary sage calms anxious pets, reduces stress-related behaviors, and offers natural antiseptic and anti-inflammatory properties, gently supporting emotional well-being in dogs and cats without harsh chemicals.

NEROLI

Neroli gently soothes stress, reduces anxiety, balances emotions, promotes relaxation, and supports healthy skin in cats naturally.

FRANKINCENSES

Frankincense naturally calms anxious cats, reduces inflammation, supports respiratory health, enhances skin healing, and provides gentle antimicrobial protection and comfort.

user manual

DOG RELAXATION ROOM SPRAY

(Organic Lavender Hydrosol Floral Water, Clary Sage, Neroli)

Directions

Shake gently before use. Spray lightly into the air, bedding, or resting area to create a relaxing environment. Avoid spraying directly onto your dog's face.

Gentle Skin Cleansing

Spray lightly onto a clean cloth and gently wipe your dog's fur. Allow to dry before grooming.

Caution

- For external use only.
- Avoid contact with eyes, nose, and open wounds.
- Conduct a patch test; discontinue use if irritation occurs.
- Keep away from children and pets when unsupervised.
- Consult a veterinarian if skin issues persist or worsen.

user manual

CAT RELAXATION ROOM SPRAY

(German Chamomile Hydrosol Floral Water, Clary Sage, Frankincense)

Directions

Shake gently before use. Spray sparingly into the air, bedding, or resting area to help your cat relax. Avoid spraying directly onto your cat's face or fur.

Gentle Skin Cleansing (with caution)

Apply minimally onto a cloth, gently wipe onto your cat's fur, and let it dry completely before allowing grooming.

Caution

- For external use only. Avoid ingestion by allowing fur to fully dry before grooming.
- Do not apply near eyes, nose, mouth, or open wounds.
- Patch test first; discontinue immediately if irritation or discomfort occurs.
- Keep out of reach of children and pets when unsupervised.
- Consult your veterinarian if skin conditions persist or worsen.
